Instructions for using First 100 Days App.

Step 1- Click on desktop folder First 100 Days.

Step 2 – Click on "Desktop Survey".

Step 3 – Highlight one of three options, STAFF, VOLUNTEER or PASTOR

Step 4 – At least one survey must be completed for each category (Staff, Vounteer, and Pastor before a report can be generated.

Step 5 – Highlight "Admin" and click on save. Wait for App to process!

Step 6 – Bring up the new Excel file and print the report.

The K in column 7 of the report indicates: Key Planning Point.: This K appears if columns 3,4 and 5 are 20% (or more) less than column 6. Column 6 is a list of the scores of churches that doubled worship attendance between 1994 and 2004.

Purchase book, "The First 100 Days Transforming the Local Church" (Amazon)
